

Assoc.Prof.Dr. Prayoot Akkaraekthalin

รองศาสตราจารย์ ดร.ประยูทธ อัครเอกผาลิน

Department of Electrical Engineering

King Mongkut's University of Technology North Bangkok

1518 Pibunsongkram Rd., Bangsue, Bangkok 10800

Phone: (662) 9132500-24 Ext. 8102, (086) 3115205 Fax: (662) 5857350

prayoot@kmutnb.ac.th

Education

Ph.D. in Electrical Engineering (September 1998) from University of Delaware, Newark, DE, USA

M.Eng. in Electrical Engineering (May 1990) from King Mongkut's Institute of Technology, North Bangkok, Thailand

B.Eng. in Electrical Engineering (May 1986) from King Mongkut's Institute of Technology, North Bangkok, Thailand

Current Work

- Teaching foundation courses such as Electromagnetic Theory and Transmission Lines and Networks
- Teaching advanced communication courses including Microwave Circuits and System Design and Optical Fiber Communications
- Working on research projects funded by the Thailand Research Fund (TRF)
- Supervising many undergraduate senior projects and graduate researches

Work Experience

- Research and development engineer at Microtek Co., Thailand from June 1986 - May 1988
- Academic work at King Mongkut's Institute of Technology North Bangkok, Thailand from June 1988 - July 1993
- Teaching Assistant (TA) and Research Assistant (RA) at University of Delaware, USA from August 1993 - September 1998

Journals in ISI : more than 10 papers

Proceedings : more than 100 papers

Awards (Recently)

1. Best paper award in the 29th Electrical Engineering Conference for the paper entitled "Miniaturized CPW-fed inductively coupled slot antennas using stepped impedance resonator with tuning slot stub loading," Cholburi, November 9-10, 2006.
2. Best paper award in the international ECTI-CON 2007 for the paper entitled "Compact microstrip two-layer dual-band bandpass filter using aperture-coupled SIR-hairpin resonators," Chiang Rai, May 9-12, 2007.
3. Best paper award in the 31th Electrical Engineering Conference for the paper entitled "A multi-band CPW-fed equilateral hexagonal slot antenna with vertical bowtie stub," Nakorn-nayok, October 29-31, 2008.

Other Activities

1. Committee of the ECTI Association
 2. Chair of IEEE MTT/AP/ED Thailand Chapter between 2007-2008
 3. Steering committee of the ISAP
 4. Steering committee of the EECON
 5. Advisory committee of the APMC 2009
 6. General chairs for the EECON-26 and ISAP 2009
 7. Committee for several conferences: EECON, ECTI-CON, APMC, ISCIT, and ITC-CSCC
 8. Technical program chair of the National Graduate Research Conference 2009
