Foreword for Special Session on Papers Selected from ECTI-CON 2009

ECTI-CON is an international conference in the areas of Electrical Engineering, Electronics, Computer, Telecommunication, and Information Technology. It has been organized annually by ECTI Association. The first and the second ECTI-CON were held in Pattaya, and then moved to Ubon Ratchathani, Chiang Rai, and Krabi respectively. This year, 2009, is the 6th ECTI-CON which was organized in Pattaya again. The research works done by researchers around the world presented at the ECTI-CON are strictly filtered in high quality by international reviewers, and all papers in proceedings have been published in IEEE explorers since 2008. Since the papers of ECTI-CON are guaranteed in high quality, the ECTI Association committee and ECTI-EEC Trans and ECTI-CIT Trans editor team agreed to annually work for special section on papers selected from the ECTI-CON from 2005.

ECTI-CON 2009 was held at Ambassador City Hotel, Pattaya during May 6-8, 2009. In this year, 471 papers are submitted for presentation at the conference, and 295 papers are accepted by international reviewers. The acceptance rate of 62.63 percent shows the high quality requirements of ECTI-CON 2009 technical program committee. Among the ECTI-CON accepted papers, 40 papers were invited to be submitted to a special session of the EEC Trans, and 20 papers were selected with 50 percent acceptance rate.

As guest editor of the special session, we would like to express our special thanks to all authors for submitting and revising their research papers, and our sincere appreciations to all reviewers for hard working in limited time to guarantee the paper quality of ECTI-EEC Trans.
